Using the ArtFusion Chromatic circle is really simple. The reflection of the tone is identified by the colour of the section in which it is located and its neutralization is located on the opposite side of the Wheel.

Utilizzare il Cerchio Cromatico ArtFusion è davvero semplice. Il riflesso del tono è identificato dal colore della sezione in cui si trova e il suo neutralizzante si trova nel lato opposto del Cerchio.

Le mode d'utilisation de Cercle Chromatique ArtFusion est très simple. Les reflets des tons sont indiqués par la couleur de la section dans laquelle ils se trouvent, leur neutralisation, elle est indiquée du côté opposé de le Cercle.
